Lab 7

1. Using your favorite website, create the following based on the slides in this lesson:
- Acceptance test plan
- ACC document
- Acceptance test status report

2. Add these all to a single document and upload **pdf** in lab 7 dropbox
Due November 4th ,2023, by 11:59am

NOTE:
- Use the slide that outlined different acceptance criteria to help you select yours.
- Keep it as lightweight as possible limiting to 1-2 key acceptance criteria (areas)
- Fill in each field in each template with fake information about the project, timelines and stakeholders.
